

IRIS-FUX

IRIS-LIC

IRIS-LBL

IRIS-LGN

IRIS-WHT

The model **IRIS** is a sporty slip-on, fully adapted to the needs of the healthcare professionals. The adjustable velcro strap at the back ensures a perfect fit.

The *Medilogic* collection are ultra light designs with anti static properties and a slip resistant sole. With breathable inner lining in Coolmax[®]. The outer material is high quality synthetic leather and can be easily cleaned with a damp cloth. The anatomical shaped foot bed and outsole that at any point touches the ground, ensures a healthy support of the foot. This model has a 3 cm or 1.18 inch heel.

Iris

CE-standard
CE EN 20347 certified.

Coolmax®-lining

Keeps your feet cool and draws perspiration away from the skin.

Easy maintenance

The shoe can easily be cleaned with a damp cloth.

Shock absorbing

The midsole in EVA guarantees shock absorption.

Synthetic leather

The outside of the shoe is firm, high end artificial leather.

Ultra light

The midsole in EVA is very light, flexible and shock absorbing. The average shoe weight is 8.81 oz or 250 gram.

Renewable insole

Renewable insole with Coolmax®. You can easily replace the insole regularly with our ultra comfortable insole OXYFOAM or use your own orthopedic insoles.

Anti-static ESD

The shoe features a plug that improves the dissipation of static electricity and meets the ESD standard.

Slip resistant SRC

The rubber outsole provides excellent grip, both on wet and dry floors and complies with the SRC standard.

Usage

Suitable for those who walk and stand for a long time daily. So recommended for:

- Healthcare professionals
- Nurses and caregivers
- Wellness and beauty center professionals
- Homecare

Do not use to accompany patients in to the shower.
