EMILY-BLK

The model **EMILY** is a sporty, closed shoe specially designed for healthcare professionals. The velcro strap on the instep ensures a firm fit. The slip resistant outsole guarantees your safety.

The *Medilogic* collection has an ultralight design with antistatic properties and a slip resistant outsole. The lining in breathable **Coolmax®** draws perspiration away from the skin. The outer material is synthetic leather and can be easily cleaned with a damp cloth. The anatomical shaped foot bed and outsole that at any point touches the ground, ensures a healthy support of the foot. This model has a 3 cm or 1.18 inch heel.
