SUNNY-LBL

SUNNY-LIC

SUNNY-LGR

The model **SUNNY** is a sports shoe for women, adapted to the needs of healthcare professionals. The upper material in leather can easily be cleaned with a damp cloth. The lining in mesh nylon allows your feet to breathe. The slip resistant sole is also flexible.

The *Oxysport* collection is specially designed to comfortably walk around all day.

SUNNY-FUX

# Sunny

**CE-standard**  
CE EN 20347 certified.

**Leather**

The outside of the shoe is leather.

**Lining in mesh nylon**

The lining in mesh nylon allows your feet to breathe.

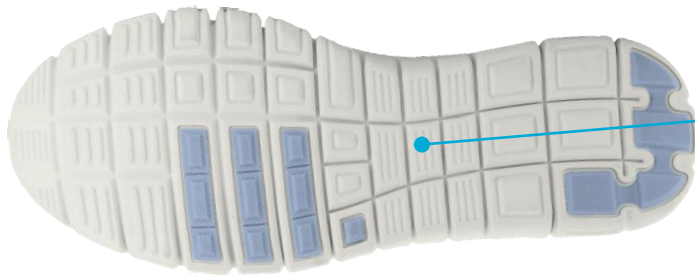

**Easy to maintain**

The shoe can easily be cleaned with a moist cloth.

**Shock absorbing**

The sole in TPR guarantees shock absorption.

**Slip resistant SRA**

The outsole in TPR guarantees an excellent grip, both on wet and dry floors, and complies with the SRA standard.

## Usage
